Beautiful sparkly snowflakes may soon be falling upon our Village giving a whole new look!

Keeping your cars off the street during the potential **flurries of 2 inches** or more will help the plows clear the streets quicker, and make a better parking area for you.

Also remember the designated 'snow routes' that are no parking zones during these weather conditions, to aid plowing and school buses!

The Pleasant Hill Events

committee is great at planning entertaining things for our community, plus supporting those events that we have on our annual calendar. Let them know if you have any ideas you want to help bring laughter and smiles to the Village!

Recently events were the Holiday tree lighting, complete with Santa on a Firetruck, thanks to the Pleasant Hill Fire Department, and the Virginia Kinney cookie beautifully decorated and (tasking) contest! Next was the Holiday property decorating contest, that had 88 ballots cast for the 13 properties that entered, and so many more to view their sparkling decorations as we drove around! Bingo and Bunco will be scheduled throughout the winter months for some warm community fun!

The group is always working toward new ideas, and creating the next Light Up the Night Festival to keep it being entertaining fun for all, Saturday Jun 28th, 2025

Community cats

Upon meeting with community members, it was found that several were not aware that there is an ordinance, #1013, printed at left/read on village website, that prohibits pets from running at large...this includes cats. If community members are feeding animals outside, and they are not staying in your private yard, that is harboring the pet, which makes an ordinance violation.

Council is considering a TNR, Trap, neuter, release program for the village. This entails a designated person live trapping the cat, taking it to the appointment for spay/neuter, and returning to area.

The cost would come from Village taxes, and any cat at large would be subject to being trapped.

This issue shall again, be discussed at the next council meeting on Tuesday, January 2, 7pm, at the Village Council meeting in the fieldhouse.

Contact your Ohio state officials if you would like to see shelters assist in cat control. Shelters only can protect dogs at this time, due to funding coming from licensing.
